Oct 14, 2014 The problem is that many of you are making a very good argument. You're right, in a general sense, but maybe you're just falling into a trap in the form of the illusion of truth. It's a trap because our brain naturally wants to categorize, classify and order. It wants to make sense out of things that are different. And this illusion can have a big influence on us. Essentially, it can shut down our ability to hear what's actually saying. puigtec eqp-1a win crack puigtec eqp-1a win crack puigtec eqp-1a win crack .
